AGENDA

Joint Annual Meeting: Oregon Urological Society
& Washington State Urology Society
August 14 – 16, 2026

Room Assignments:

- Conference registration (pick up name badges) — Conference center lobby
- General Session — Stevenson A
- Friday APC Breakout — Hood
- Exhibit Hall (Food, coffee, beverages) — Stevenson B/C/D
- Exhibitor Storage — St. Helens

CME tracking	AUGUST 14, 2026 (FRIDAY) Times	LECTURES, PANELS, POINT COUNTERPOINTS and EVENTS	FACULTY	LEARNING OBJECTIVES
	12:00 pm –12:30 pm	Urology Advanced Practice Associate: REGISTRATION OPEN		
270 minutes	12:30 pm – 5:00 pm	Urology Advanced Practice Clinician Breakout • OAB Guidelines Update • UDS Interpretation Overview • Recurrent UTI workup, prevention, and treatment • Management of Small Renal Masses • The Growing Role of APPs in Urology	Lisa Langmesser, PA-C Amy Lim, MD Kamran Sajadi, MD Julia Wilson, PA-C	• Apply current evidence-based guidelines, including those from the American Urological Association to the evaluation and management of overactive bladder, recurrent urinary tract infections, and small renal masses. • Interpret urodynamic study findings and integrate results into clinical decision-making for patients with lower urinary tract symptoms. • Develop comprehensive evaluation and management strategies for recurrent urinary tract infections, incorporating prevention measures, patient education, and antibiotic stewardship principles. • Compare treatment approaches for small renal masses, including active surveillance, ablative therapies, and surgical intervention, and identify appropriate patient selection criteria for each management strategy.

				• Demonstrate knowledge of cystoscopy technique, including equipment preparation, procedural methodology, recognition of normal and abnormal findings, and post-procedural patient management. • Describe the legal and regulatory scope of practice for advanced practice providers (APPs) in Oregon, including clinical and operative responsibilities, supervision requirements, and documentation considerations. • Integrate risk mitigation and compliance strategies into clinical practice to support adherence with state regulations, institutional policies, and quality standards. • Discuss the evolving role of APPs in urology and identify opportunities to enhance patient access, care coordination, operational efficiency, and delivery of urologic services.
	5:00 pm – 6:30 pm	Exhibitors Set Up		
	6:30 pm – 8:00 pm	Annual Past President Dinner Executive Boards Invited speakers Proposed New Member Welcome		
	8:30pm –10:00pm Forest Fire Pit–*by the Golf Shop*	Bonfire & SMORES		
	SATURDAY			
	7:00 am – 7:55 am	Breakfast in Exhibit Hall Registration OPEN		
	7:55 am – 8:00 am	Presidents' Welcome and Opening Remarks	Sudhir Isharwal, MD, MBA Matthew A. Uhlman, MD, MBA	

45 minutes	8:00 am – 8:45 am	Range, Redesign, & Reinvestment: A Blueprint for Joy in Modern Urology	**Eugene Rhee, MD, MBA**	• Describe the role of physician leadership and advocacy in shaping the future delivery of urologic care. • Discuss strategies for influencing healthcare systems and legislative efforts to improve patient access and quality of urologic care.
60 minutes	8:45 am – 9:45 am	Urology Advocacy and Legislative Reports on issues and initiatives affecting the delivery of urologic care and our patients. Urology House of Delegates Fireside Chat	*Moderated By:* *Brian Duty MD, MBA* *Jeff Evans, MD* *Jeff Frankel, MD* *Stephen King, MD* *Eugene Rhee, MD*	• Describe the roles of local, state, and national advocacy organizations in the legislative and regulatory process affecting urologic practice. • Discuss current legislative and policy issues impacting the delivery of urologic care. • Identify practical ways urologists and advanced practice clinicians can effectively participate in healthcare advocacy efforts.
	9:45 am – 10:15 am	BREAK and visit exhibitors.		
45 minutes	10:15 am –11:00 am	**The Locums Perspective – An overview of Locums**	*Presenter:* *Ian Thompson, MD MBA* *CEO and Medical Director of Urology Locums*	• Review current national trends and workforce challenges related to locum tenens coverage in urology. • Describe the operational and contractual components involved in initiating locum tenens services. • Evaluate the potential benefits and limitations of locum tenens utilization for call coverage, workforce support, and practice sustainability.
10 minutes	11:00 am –11:10 am	Med Student Presentation: Identifying Discrepancies in Urology Care Access: A Statewide Analysis of the Urology Workforce in WA	Tha Vue, MS 2 Steve Zeka, MS 2 Sejal Dhaliwal, MS 2	• Describe the status of urology workforce in Washington State and the impact on access to care
	11:10 am –11:15 am	WSUS and OUS Brief Membership Meeting and Elections	WSUS and OUS Members	
	11:15 am –12:15 pm	LUNCH in Exhibit Hall		
45 minutes	12:15 pm – 1:00 pm	**AI – The new frontier in medicine- An overview and guide to integration**	**Vikram Narayan, MD, FACS**	• Describe current and emerging applications of artificial intelligence in clinical medicine and urologic practice.

				• Identify opportunities for incorporating AI-driven tools to improve clinical efficiency, workflow optimization, and patient care. • Discuss the potential benefits, limitations, and ethical considerations associated with the use of artificial intelligence in healthcare.
30 minutes	1:00 pm – 1:30 pm	Practice in a Rural State: Lessons Learned and Myths Dispelled	Beth Andersen, MD, FAAP, FACS	• Describe challenges to delivery of healthcare and rural and underserved/under resourced areas • Identify systems-based targets for improvement for healthcare delivery.
30 minutes	1:30 pm – 2:00 pm	Full Coverage: How do we take care of more with less?	Ian Thompson, MD MBA Matt Uhlman, MD	• Review how current Urology call coverage models are functioning • Discuss the pros and cons of current coverage models • Describe new and innovative, coverage models
	2:00 pm - 2:30 pm	BREAK and visit exhibitors.		
45 minutes	2:30 pm - 3:15 pm	Updates in Bladder Cancer	*Moderator:* *Amy Lim, MD, PhD* *Panel:* Sudhir Isharwal, MD Vikran Naraya, MD, FACS Jonathan Wright, MD	• Discuss evolving management approaches for non-muscle invasive and muscle-invasive bladder cancer. • Identify appropriate referral considerations and multidisciplinary care strategies involving medical oncology for patients with advanced urologic malignancies.
45 minutes	3:15 pm – 4:00 pm	How to get the work done – Overview of the workforce and how we're getting things covered.	**Eugene Rhee, MD, MBA**	• Describe innovative models and collaborative strategies being implemented to reduce urologic call burden across various healthcare markets. • Discuss current initiatives aimed at improving rural access to urologic care and workforce distribution. • Identify potential operational and advocacy solutions to support sustainable urologic coverage in underserved communities.
	3:30 pm	Adjourn		

	4:00 pm – 5:30 pm Little Eagle Putting Course – *on property at Skamania Lodge*	Urology Career and Practice Connections: Resident Mini Golf mixer * Friendly competition (WA vs. OR)		
	5:30 pm – 6:30 pm Golf Shop / Backyard– *on property at Skamania Lodge*	Women in Urology Social Event *Axe throwing* Friendly competition (WA vs. OR)		
	7:00 pm – 8:30 pm Garden Patio – *on property at Skamania Lodge*	President's Featured Social		
	8:30pm –10:00pm Forest Fire Pit–*by the Golf Shop*	Bonfire & SMORES		

	AUGUST 16, 2026 (Sunday)			
	7:00 am – 8:00 am	Exhibits and breakfast		
120 minutes	8:00 am - 10:00 am	Urology Coding Update 2026 – part 1	*Presenter: Mark Painter*	• Describe changes in Medicare rules that affect Urology. • Determine if new Technology and Drugs for patients is viable for your Urology Practice. • Use current CPT and Medicare coding guidelines to accurately capture services provided.
	10:00 am –10:30 am	BREAK and visit exhibitors		
90 minutes	10:30 am –12:00 pm	Urology Coding Update 2026 – part 2	*Presenter: Mark Painter*	*Continued from Urology Coding Update 2026 Session 1*
