

Women's Health Chairman Report

WASHINGTON WOMEN IN UROLOGY UPDATE

*Una Lee, MD
WSUS Women's Health Chair*

Hello Ladies,

Some quick announcements:

- 1) Kathleen Kieran MD has agreed to become the Pediatric Urology Chair on the Board of the Washington State Urology Society (WSUS). Congratulations Kathy. We look forward to your updates and leadership.
- 2) Suzette Sutherland MD has joined the Women's Health committee this past quarter and I'm thrilled to have her on the team. I'm looking for more interested urologists who would like to join us.
- 3) Our 2nd annual WSUS Legislative day was held **Tuesday Feb 6th** in Olympia. We had a good turn out and it was great to see women in urology well represented at the annual event. Hope to see more of you in Olympia next year.
- 4) Save the date and plan to attend the Annual WSUS meeting **June 29-July 1, 2018**. This year, it's a different weekend than it normally is. The program will be a mix of important health care topics and I'm planning a special Women in Urology breakout reception on Saturday for all of us.
- 5) The WSUS launched a new updated website, for easier access to information. Check it out- Here is the link to the new <http://www.wsus.org/> Let us know what additional information you would like to see on the website.
- 6) Your input needed- if you have speaker or topic ideas or input on our 2018 WA women in urology dinner meeting, please let me know. Date TBD (I was thinking Oct 2018?)

Hope all is well, and let 2018 be a year filled with health, laughter, and quality time with your loved ones.

Best,
Una
